SCRIPT CRAFT – FILM MAKING WORKSHOP

On the 23rd of March 2024, the Media Cell of Navajyothi College successfully conducted a captivating film making workshop titled "Script Craft". The workshop aimed to unravel the intricacies of crafting compelling scripts and understanding the nuances of film making. With esteemed facilitators, Director and Screenplay writer, Fazil Razak (IFFK, Rajata Chakoram winner 2023) and Actor Ishaq, the event promised to be enlightening and enriching for all attendees. In total 23 students participated in the workshop.

Renowned director Fazil Razak shared his invaluable insights into the art of film making. He elaborated on various aspects including scriptwriting techniques, character development, and the importance of visual storytelling. His vast experience in the industry provided participants with a deep understanding of the creative process behind successful films. The workshop also included sessions where participants could present their own scripts for analysis and critique. This provided an invaluable opportunity for aspiring filmmakers to receive feedback from industry professionals and refine their storytelling skills.
